COURSE DESCRIPTIONS

Dynamite Drama	1	Do you want to explore and expand your creativity and spontaneity? This is the acting class for you. We will train as a group in improvisational techniques, creating scene after scene from the sublime to the ridiculous. We will be performing for Noontime Shows and will also create a final product to show to those at home!
Stand on Up	1	Do you like to make your friends and family laugh? Have you ever dreamed of performing on stage with a microphone and a set full of funny jokes? Are you someone who loves to laugh and wants to learn how to turn your sense of humor into a solo performance? Look no further! This class will explore the fundamentals of both writing and performing Stand Up Comedy. You'll be able to create or develop your own unique comedic voice and style, then channel it into Stand Up Comedy material to leave an audience crying with laughter.
Hip Hop Hooray	2	Do you love to dance, listen to awesome music, and have a blast in the process? Then come join the fun and learn all the latest and greatest moves of yesterday and today's hip hop artists as we shake, rock and roll. No experience necessary, just some awesome attitude and spunk!
General Sports	2	We'll play outdoor sports and games depending on what the group wishes to do. Join us and have a great time playing on the beautiful, well groomed fields on the Park School campus. Get some fresh air and exercise!

Mini Musical	2	This fun performance class introduces our youngest campers to a touch of Broadway. This summer's mini-scripts will be adapted from several favorite musicals. Young actors learn stage directions, basic acting skills, simple choreography and have the opportunity to sing solos, duets and group numbers. Join us!
Broadway Babies (Dance focus)	3	This upbeat, high energy, musical theater dance class will have you moving and grooving like a star on Broadway in no time! Come learn how to dance like the "pros" as we learn the technique of jazz dance to your favorite showtunes! No experience required, but remember, 'you're never fully dressed without a smile', and don't forget your jazz hands!
Broadway Bound (Singing focus)	3	Come learn to sing and dance your favorite Broadway tunes and a few original ones too! This popular showtunes class is a favorite for those who love to perform and those who want to learn how.
Junior Musical	5	The Junior Musical is the place for young thespians to rehearse and perform a full scale musical play. This year's production will be a lot of fun for everyone and provide terrific opportunities for all! Please come prepared the first day with a favorite poem or short monologue for your spoken piece and a Broadway showtune for your singing audition. Returning actors will audition first.
Story Theater	5	This class will give young actors a chance to rehearse and perform their own adaptations of a variety of stories from many cultures. Campers will have fun playing warm up theater games, creating small plays from improvisation and learning the basics of theater. Costumes and props will make their productions a great hit. Selections from our class work will be performed.
Swim	6	Enjoy recreational free swim in our Olympic size heated swimming pool. Lifeguards will supervise this class.
All Hands on Deck	6	This class will focus on building performance skills through theater games. Campers will participate in a wide variety of improv, story telling, and creative activities that are designed to develop basic theater skills and have fun doing it. There is absolutely no theater experience required to join this class, but bring your A game because we need all hands on deck!
